ice breakers

Light and easy

What is a skill you have that most people do not know about?
What was your first job?
What is your go-to comfort food?
If you could work from anywhere for a month, where?
What is the last show you binge-watched?
Tea or coffee — and how?

Would you rather

Work in total silence or with background music?
Always be early or always be exactly on time?
Work in a team of 2 or a team of 20?
Be the best at one thing or good at many things?
Have every Friday off or every Monday off?

About work

What is your favourite part of your job?
What did you want to be when you grew up?
What is the best piece of career advice you have received?
What is one thing about your job that surprised you?
If you could swap jobs for a day, whose would you choose?

Big picture

What does a perfect working day look like for you?
What are you most proud of professionally?
What is one thing you would change about how we work?
What skill do you most want to develop this year?
