M O V I N G D A Y

survival guide

Start with the kettle and snacks · First thing unpacked — morale essential

Keep children and pets elsewhere · Moving day is not the day for supervision

Carry valuables yourself · Passports, jewellery, laptop — never in the van

Photograph every room on arrival · Date-stamped — evidence of condition

Change the locks today · Before you unpack anything else

Read all meters · Photo with timestamp — both properties

Eat something proper · The adrenaline will crash around 4pm
